INDEPENDENT AUDITORS' REPORT

To the Business Manager Gary Miller
Of Candidate Tony Fiacco

We have audited the accompanying return of election expenses of **Tony Fiacco** for the campaign period from October 10, 2011 to November 7, 2011.

Management's Responsibility for the Return of Election Expenses

Management is responsible for the preparation and fair presentation of the return of election expenses in accordance with section 261 of *The Election Act, 1996*, and for such internal control as management determines is necessary to enable the preparation of the return of election expenses that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this return of election expenses based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the return of election expenses is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the return of election expenses. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the return of election expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the return of election expenses in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the return of election expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in any election campaign, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the campaign period. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the business manager and candidate and we were not able to determine whether any adjustments might be necessary to those expenses.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the return of election expenses presents fairly, in all material respects, the financial transactions of the candidate's campaign required by section 261 of *The Election Act, 1996* to be detailed in the return of election expenses for the campaign period from October 10, 2011 to November 7, 2011.
