INDEPENDENT AUDITORS' REPORT

To: Dale Schmeichel, Chief Official Agent of the New Democratic Party, Saskatchewan Section

We have audited the accompanying Registered Political Party's Fiscal Period Return (E521) of the New Democratic Party, Saskatchewan Section for the year ended December 31, 2010.

Management's Responsibility for the Financial Return

Management is responsible for the preparation and fair presentation of the Return in accordance with the financial reporting provisions of section 250 of *The Election Act, 1996* and for such internal controls as management determines is necessary to enable the preparation of the Return that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this Return based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Return is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Return. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Return, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the Return in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the Return.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit qualified opinion.

Basis for Qualified Opinion

The Party derives revenue from donations and other fundraising activities the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Party and we were not able to determine whether any adjustments might be necessary to contributions or cash on hand.

Qualified Opinion

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves as to the completeness of the revenues as described in the preceding paragraph, the Return presents fairly, in all material respects, the financial transactions of the registered political party's activities as required by section 250 of *The Election Act, 1996* to be detailed in the fiscal period return for the year ended December 31, 2010.

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we want to acknowledge that this report is prepared to assist the New Democratic Party, Saskatchewan Section to meet the requirements of section 250 of *The Election Act, 1996*. As a result, this report may not be suitable for another purpose. Our report is intended for the New Democratic Party, Saskatchewan Section and the Provincial Electoral Office and should not be distributed to any other parties.

(b) Detail of Contributions

Contributions include money provided to or on behalf of the registered political party without compensation from the registered political party and includes donations in kind and membership fees or dues paid to the registered political party.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of \$250.00, (B) contributions of \$250.00 or less but more than \$25.00, and (C) contributions of \$25.00 or less. The sum of the categories should reflect the total contributions received, in the fiscal period, for the use of the registered political party in each classification schedule.

Revenue received by a registered political party, during the fiscal period, from fund-raising activities, meetings and sales of material of a promotional nature are deemed contributions.
