Registered Political Party's Fiscal Period Return

The Saskatchewan Party

Name of Registered Political Party

INDEPENDENT AUDITORS' REPORT

The Saskatchewan Party Fund Inc.
Chief Official Agent for The Saskatchewan Party

We have audited the accompanying fiscal period return for The Saskatchewan Party for the year ended December 31, 2010.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with those requirements of Sections 250 of the Election Act, 1996 relevant to preparing such a fiscal period return, and for such internal control as management determines is necessary to enable the preparation of fiscal period return that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the fiscal period return based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the fiscal period return is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the fiscal period return. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the fiscal period return, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the fiscal period return in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting principles used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the fiscal period return.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an organization of this type, it is impracticable through auditing procedures to determine that the accounting records include all transactions for the fiscal period. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the registered political party and we were not able to determine whether any adjustments might be necessary to those transactions.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the fiscal period return of The Saskatchewan Party presents fairly, in all material respects, the financial transactions of the party required by Section 250 of the Election Act, 1996 to be detailed in the Party's fiscal period return for the year ended December 31, 2010.

(b) Detail of Contributions

Contributions include money provided to or on behalf of the registered political party without compensation from the registered political party and includes donations in kind and membership fees or dues paid to the registered political party.

Detail of the name of and total amount received from each contributor included in classes 1 to 5 in Part (a) who have provided money, goods or services by way of a gift, loan, advance, deposit or other form of assistance must be reported in the aggregate by classification in the appropriate schedule. Such contributions are to be identified in one of three categories: (A) contributions in excess of \$250.00, (B) contributions of \$250.00 or less but more than \$25.00, and (C) contributions of \$25.00 or less. The sum of the categories should reflect the total contributions received, in the fiscal period, for the use of the registered political party in each classification schedule.

Where a corporation, trust fund or constituency association makes a contribution, pursuant to subsection 240(6) of *The Election Act, 1996*, each such contribution must be accompanied by a statement which sets out the name of the person who authorized the contribution on behalf of the corporation, trust fund or constituency association, and the name of and the amount contributed by, each person who made a contribution in excess of \$250.00 in a year and whose contribution was used to make up the funds contributed by the corporation, trust fund or constituency association.

Revenue received by a registered political party, during the fiscal period, from fund-raising activities, meetings and sales of material of a promotional nature are deemed contributions. The total net proceeds from each source indicated must be recorded and, in the aggregate, reported in this Return.

The value of donations in kind must be recorded and included as a contribution received by the chief official agent where claimed as an election expense. Accordingly, commercial value is an election expense and a contribution concurrently.
